

# PLASTIC PACKAGING

## EMPTY AND DRY PLASTIC PACKAGING FROM HOUSEHOLDS

- Food packaging
- Cleaning and hygienic products packaging
- Other household packaging, like bottles and jars
- Takeaway food containers and packaging
- Plastic bags and wrappers
- Styrox packaging

**INSTRUCTIONS:** Packages flattened when possible. Remove the caps, lids, pump parts and such loose parts and put them in the collection container separately. Return the deposit plastic bottles to the store's return machine.
